EXPERIENCE

ENERGY, ENVIRONMENT & SEACOAST REPORTER

New Hampshire Public Radio / Concord, NH / 2017 – present

- Report and produce radio spots, long-form features and multimedia on energy infrastructure, renewable energy policy, climate change adaptation, environmental health, industrial remediation, land use and recreation
- Collaborate with reporters and producers at NHPR on campaign, elections and statehouse coverage, series, investigations, podcasts and editing
- Contribute reporting to other New England public radio stations and national NPR News programs, including All Things Considered, Weekend Edition and Science Friday

BUSINESS & ECONOMY REPORTER

Indiana Public Broadcasting / W. Lafayette, IN / 2016 – 2017

- Report and produce spots, features and multimedia on agriculture, coal and ethanol, manufacturing, workforce development, logistics, hazardous waste clean-up and fiscal policy, for Indiana NPR stations and NPR shows
- Contribute continuing coverage to NPR News on President Trump's deal with the Carrier company, and a lead contamination crisis in Northwest Indiana

AFTERNOON HOST & REPORTER

Delaware Public Media / Dover, DE / 2015 – 2016

- Report spots, features and two-ways on local and statewide issues, including agriculture, criminal justice, infrastructure and climate change
- Host All Things Considered and other live broadcasts; contribute to NPR

REPORTER

KUCB / Unalaska, AK / 2013 – 2015

- Report and produce spots and features on local and regional issues in a major fishing, oil and shipping hub on Alaska's Aleutian chain
- Host live newscasts and specials; contribute to APRN and NPR shows

MORNING NEWS ANCHOR & REPORTER

Cape Cod Broadcasting / Hyannis, MA / 2012 – 2013

- Report on local issues and breaking stories for radio newscasts; host daily newscasts and breaks on four Cape & Islands commercial stations
- Co-host and produce two-ways for a weekend public affairs show

INTERNSHIPS

- WBUR / Radio Boston / 2012
- NPR / All Things Considered / Summer 2011
- NPR / Intern Edition & News Training Unit / Summer 2010
